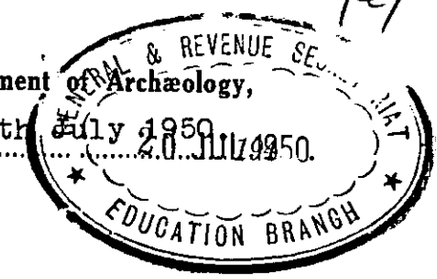
GOVERNMENT OF MYSORE

HF,223 1647/51

No. 272
Encl..

FROM

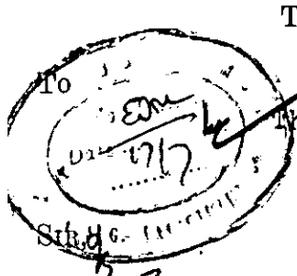
Department of Archæology,
Mysore, 15th July 1950.



THE DIRECTOR OF ARCHÆOLOGY,
MYSORE.

To

The Secretary to Government of Mysore,
Local Self-Government Department,
BANGALORE.



Sir,

9.7.50

Arch 3-ST-1

I have the honour to submit that the Department of Archaeology has been housed in building No.932 'Sri Gopalakrishna Nilaya' Lakshmipuram, Mysore, since September 1948, paying a sum of Rs.200/-p.m. as rent. This expenditure which works out to Rs.2400/-per annum is met from the ~~small~~ grant under the 'Special Charges' which involves a considerable reduction in the small grant which is mainly provided for the routine expenditure of the Department. Besides, the building in which the Department is housed at present has been found to be unsatisfactory from several points of view. There has been a continuous lack of adequate water supply which is very essential to the Photographic Section, while the building suffers further from want of ventilation.

I understand that the Crawford Hall which is nearing completion ~~has been~~ is proposed to be handed over to the charge of the Mysore University, and accordingly I beg to propose that the Oriental Research Institute which is at present housed in the Jubilee Hall might be transferred to a portion of the Crawford Hall, the Jubilee Hall itself being given to us for housing the Department of Archaeology. In this connection I may mention that the Jubilee Hall is ideally situated for the Museum and other Sections of this Department inasmuch as the walls of the building contain many sculptures of iconographical importance and many important historical inscriptions are imbedded in the walls of the central hall and several are set up in front of the building on the north. It appears as if the building was originally meant for housing a museum of Archaeology and Art. Since there is no important central Museum of Archaeology and Art in the State and there are over 6000 antiquities in the Department

which are lying huddled without facilities for a proper display and since, further, the Jubilee Hall also appears to be the only building available in the whole of Mysore City suitable for housing a Central Museum, it is strongly urged that it might be given to us early for housing the Department. This would not only give the Department a proper building but would result in offering the required facilities of research to students and scholars in the immediate vicinity of the University and other educational institutions. Further it would effect a savings of Rs.2400/- to the Department per year, which could be more profitably utilised for conducting the research work of the Department and for its several publications. The proposal is submitted mainly in the interest of economy in expenditure and efficiency in the work of the Department, and utility to scholars and students.

Early orders are solicited in the matter.

Yours faithfully,

L. Narasimhachar

RKN. Ag.Director of Archaeology.

Sir,

Subject:-Housing the Department of Archaeology in the Jubilee Hall by transferring the Oreintal Research Institute to the Crawford Hall at Mysore.

I have the honour to forward herewith an Un-Official File No. 216/50-51 dated 4-10-1950 received from the Secretary to Government, Local Self-Government Department, on the above subject and to state that while the Director of Archaeology proposes to transfer the Oriental Research Institute to the Crawford Hall, so as to make available the entire Jubilee Hall for housing the Department of Archaeology, the Registrar of the University is of the opinion that the Archaeological Office may be located in the Southern Wing of the Crawford Hall after its completion, continuing the Oriental Research Institute in the Jubilee Hall itself. The arrange-ment may perhaps be agreed to as opined by the Registrar.

I request that orders of Government may kindly be obtained and communicated on this behalf.

The Un-Official File may kindly be retruned to this office with orders, so that the same may be transmitted to the Secretary, Local Self-Government, for further needful.

Yours faithfully,

Deputy Chief Engineer of Mysore.
